WAUGH REACHES FINALS

LOCAL LAD IS SECOND IN L A MEET

Followers of J. O. Games Expect Torrance Boy To Place Among Leaders at Moore Field Saturday

Upsetting all the dope that has been cooked up in the weeks preceding the county finals of the Junior Olympic games, Truman Waugh, representing Torrance, finished second in the junior division with a total score of 551 points.

Athletes from all over Los Angeles county took part in the competition held at Moore Field, Los Angeles, last Saturday.

The Torrance squad consisted of Dale Howe, Truman Waugh, Prentice Johnson, Robert Wertz and George Bradford, junior division; Raymond Rogers, Billy Acree, Hiroshi Hida, Edward Eck, Joe Lisoni, and Hal Smith, senior division.

Winners in the junior division placed as follows:

First: Tanyoshi Okura, San Pedro, 612 points.

Second: Truman Waugh, Torrance, 551 points.

Third: Clifford Byers, Harvard, 555 points.

Fourth: H. Yamamoto, San Pedro, 557 points.

Fifth: Jimmy Montgomery, El Monte, 552 points.

Comparative records of the two leading contenders show that Waugh was giving the San Pedro Japanese boy Okura

In this meet, but with the steady consistency that has marked his previous performances, he displayed his talents by scoring 551 points.

Waugh gave the highly touted champion, Jimmy Montgomery, of El Monte, a real beating. Montgomery finished in fifth place.

The first ten juniors and the first ten seniors in the list of competitors in this meet will fight it out in the Southern California finals which will be held at Moore Field in Los Angeles, Saturday, June 7, beginning at 12 o'clock.

Representatives from nine other counties will compete as well as the champions of Utah and Arizona.

Two other Torrance boys will be seen in this meet, namely, Billy Acree, a veteran of three years, and Dale Howe who won the high school championship but did not make quite as good showing in the county finals. Dale finished fourteenth in the list.

Raymond Rogers placed fourteenth in the senior division.

The first and second place winners of Junior and senior divisions in Saturday's meet will compete in Atlantic City in the national finals with athletes from every state.

The Southern California finalists will receive in addition to their trip to the Atlantic coast a return trip by sea to Los Angeles, visiting en route several Central American countries, and passing through the Panama canal.

The outstanding contenders for the junior crown are T. Okura, of Banning; Jimmy Montgomery of El Monte; Truman Waugh of Torrance; Howard Gravett of Compton; Dale Howe of Torrance; and Joe Anderson of Calexico.

The local favorite, Truman Waugh, is only 12 years old. He is the son of Mr. and Mrs. John Waugh, residing at 2811 Pepper street. He is eligible for two more years of Junior Olympic competition, so that should he fail to finish first or second this year he has an excellent chance to snatch the crown one or two years hence. His present showing and experience will give him an edge over many other contenders.

Baptist Casaba Team In Hot Game With South Park

The Torrance Baptist basket ball team, which recently closed a strenuous schedule and emerged as champions of the district met the South Park casaba shooters last night in a game to decide who is eligible to enter the county finals. Torrance team was made up of Ben Townsend, center; Joe Townsend and Dean Baldwin, forwards; Huestis Long and Hartley Carr, guards.

Frank's Place New Gas Station To Open Saturday

Decked out in beautiful new colors, Frank's Place, a new filling station, will hold its formal opening Saturday, June 7, at the corner of Carson street and Border avenue, according to an announcement made by Frank Stratford. With every purchase of gasoline or oil made Saturday, a "Western" cap and "Blue-Green" song book will be given without charge, as souvenirs of Western and Gilmore's Blue-Green gasolines sold at Frank's Place.

The station formerly located at Carson and Border has been entirely remodeled and improved, and decorated in a pretty shade of buff. Frank Stratford, the proprietor, has lived in Torrance for several years and is extending a cordial invitation to his friends and the public in general to visit his new station.

OIL IS STRUCK! Proves Old-Repeated Claim That Valley is Underlaid with Oil! And Factories May Yet Be Pumping Oil from Own Back Yards. The Torrance Oil fields are no longer an uncertainty. It is proven territory. Yesterday evening (June 7, 1922) the Chandler-Banfield Midway Company brought in the Del Amo Well No. 1, just a little west of the city limits of Torrance on the Old Del Amo Ranch. The well came in at the rate of 2500 barrels, jumped to 4000 barrels, and then was throttled down to 1000 barrels, at which pressure it is still flowing. Excitement on the streets is at fever heat and all kinds of rumors are heard; but even the most enthusiastic have not exaggerated the truth.

BLUES AND EAGLES IN FAST GAME

Torrance Team Wins 7 to 1 Before Huge Crowd of Fans at Brookside Park.

In a game that was full of sparkling situations the Torrance Blues defeated the Pasadena Eagles before a huge crowd at Brookside Park, Pasadena, Sunday. The score was 7 to 1.

In spite of the lopsided score, the Eagles put up a good game and had men on base in five of the nine innings ready to take advantage of the slightest break in their favor. Only in the sixth were they able to shove a man across when Burris got the only two basger credited to his team and scored on D. Cox's hit to center. The ball fell safe but Cox was trapped at third on a relay from Maes to Ducazzau to Wolfe.

Snyder, pitching for the Eagles, was hit freely, and five doubles were picked off his delivery. Neither side scored in the first three frames. Torrance got the jump in the fourth when Alabama got away a double after two were out. Rennie was grazed by a pitched ball and took first. Flinker drew a pass. Claybourn came through with a nice single and Bama scored. The Eagles took a short flight into the air at this point when in an effort to catch Alabama at the plate the ball got away from Gilpin and rolled to the backstop. Gilpin, seeing that Bama had scored, thought the deal was over and tossed the ball into the diamond toward the pitcher's box. As the ball was still in play Rennie took advantage of this situation to steal home, leaving Flinker on second and Claybourn on first. However, Maes was out at first on the next play, ending the inning. Torrance added two more in the eighth. Wolfe popped out to third base. Ducazzau singled, followed by Atwood. Alabama drove a hot grounder through D. Cox who recovered the ball and threw home to catch Johnny Ducazzau at the plate. Johnny slid under the ball but was tagged out. Time had to be called for several minutes while his mates worked over Ducazzau who had suffered a severe leg-cramp and had to be taken out of the game. He was replaced by Claybourn who was shifted from left field. Frenchie going in right and Alabama to left. Rennie followed Alabama's single with a safe blow but was left on base when Flinker made the third out.

The Eagles revived in the eighth long enough to get two men on base. Radey was hit and took first. Bapst and Burris flew out. D. Cox who had been hitting con-

stantly every time up was handed four wide ones and took first. B. Norton struck out. Three more runs picked up by Torrance in the ninth made their total count 7. The Eagles were out in short order in their half, when J. Norton and J. Cox were wiped out by a swift double from Bouett to Atwood. Bouett scooped up Cox's grounder, stepped on second, forcing Norton and got the ball away to Harry in time to eliminate Cox. Gilpin hit a line drive to Flinker and the battle was over. Box score:

NEW OUTFIT COMING TO PLAY HERE

Torrance Blues Will Meet Mexican Team El Porvenir On High School Grounds

Playing on their home grounds next Sunday, at the Torrance high school, the Torrance Blues will meet the Mexican team from over around Westminster, called El Porvenir.

This is a new team to this district, and the dopsters are putting out that the chile con carne boys are plenty hot. Manager Ed Tansey is going to have the base lines marked with woolbrests, with a fire extinguisher located at each corner sack. Infielders will wear a glove on each hand. Direct short wave service will summon the fire department should any spectator become overheated. Fans will have to provide their own cooling devices and ice water.

Fresh from their decisive defeat of the Eagles at Pasadena last Sunday, the Blues are flying high. In addition to all other attractions, Manager Ed Tansey hints that Big Jim Ault, who was injured in an auto accident several weeks ago, may be ready to return to the mound. With two hurling aces like Ault and Flinker on his string and Frenchie, the popular ice man, as relief hurler, Tansey is now well equipped with pitchers. In fact his entire team has been strengthened and is functioning now like an outfit of real league caliber.

A SCOTCH BEQUEST

ELSTREE, England (UP)—Bequeathing a 10-gallon cask of Scotch whisky to a friend, Edward Thompson, 82, stipulated in his will that "it is my desire but without imposing any condition that he shall from time to time when the contents of the cask shall reach the level of the tap now in the middle at the end of the cask, refill the cask with five gallons of Scotch whisky, so that the said cask shall not from time to time be tilted to draw off the contents."

Public Invited To Palos Verdes Art Exhibition

An interesting event to patrons of art of this section, is the first annual Purchase Prize Exhibit of Painting this week, sponsored by the residents of Palos Verdes Estates, and held in connection with the opening of the new library and art gallery. About fifty important artists have been invited to submit canvasses, from which one will be chosen by the Palos Verdes Art Jury for the purchase prize.

The building, which adjoins Farnham Martin's park, has just been completed at a cost of \$90,000, and is a fine example of California architecture, designed by Myron Hunt. The exhibit will be continued until July 6th, and is open to the public daily, from 2 until 5 o'clock, and is the forerunner of many interesting exhibits being carefully planned by the art committee.

W. C. T. U. Observes Flower Mission Day

W.C.T.U. flower mission day will be observed at the meeting of this organization Friday, June 6, at 2 o'clock, held at the home of Mrs. Clifford Hawkins, 707 Cota avenue. Mrs. G. G. Gehmid will lead. The flowers which are brought to this meeting will be tied with white ribbon and distributed among the sick and those who are shut-in.
